

VAV 3M1/4M1 ISUAL PROPOSAL FOR PERSONAL CHOICE

Your *Visual Proposal* must include visual thinking in the form of drawings, design plans, and media samples, as well as any text. Your inspiration artwork is a previously completed artwork from any art course, or for personal reasons. This new artwork has a connection to the inspiration piece, whether through medium, subject, or...other...

In your proposal, please complete the following:

1. Name and describe your previously completed, inspiration artwork.

- Describe your inspiration artwork. A photograph or detailed drawing is needed as well.
- When did you complete this artwork?
- Why are you choosing this artwork?

2. Clearly outline the main concepts for your new artwork.

- What is your intent?
- What are you trying to express?

3. Explain the methods, techniques, and design principles you plan to use.

- What medium or media do you plan on using?
- Are you familiar with this medium?
- When and why have you used it before?

4. Create a careful drawing of your artwork idea.

5. Once your proposal has been approved, please bring needed materials, or let me know what materials you need, and begin your artwork in class.
